PUBLIC MEETING NOTICE

FOR PREPARATION OF AN ENVIRONMENTAL IMPACT STATEMENT for the PROPOSED RINKER AND SERVICE ROCK PRODUCTS COMPETITIVE MINERAL MATERIAL SALES (NVN-083153 AND NVN-082069)

The Bureau of Land Management (BLM), Las Vegas Field Office, invites you to participate in the public scoping process for the preparation of an Environmental Impact Statement (EIS) for the Proposed Rinker and Service Rock Products Competitive Mineral Material Sales (NVN-083153 and NVN-082069) for the sale of aggregates.

The BLM, as allowed by law, is proposing to dispose of (sell) a designated volume of mineral materials in the Sloan Hills (south of the St. Rose Parkway and east of I-15) within T. 23 S., R. 61 E., section 29, S1/2 and section 32, N1/2, Clark County, Nevada, to qualified parties at public sale through oral bid. The proposed project would result in two open-pit limestone quarries that would merge into one open pit in the future.

The BLM will host two scoping meetings to provide an opportunity for the public to learn about the project and to share any concerns or comments they may have. Additionally, the public may submit information and identify issues that are addressed during the EIS process. The two public scoping meetings for these mineral material sales will be held:

**Wednesday & Thursday, December 5 & 6, 2007
6:30 p.m. to 8:30 p.m. (Presentation at 7:00 p.m.)**

**at the
Henderson Executive Airport
Community Meeting Room
3500 Executive Terminal Drive
Henderson, NV 89052**

The meetings are an open house format to allow the public to visit with BLM representatives. A brief presentation is scheduled for 7:00 p.m. at each meeting.

Written comments may be submitted to Shonna Dooman, BLM Las Vegas Field Office, 4701 N. Torrey Pines Drive, Las Vegas, Nevada 89130 or via email at Shonna_Dooman@blm.gov. The BLM encourages your participation in this scoping process. Please contact Shonna Dooman, BLM Project Manager, at 702-515-5000 to request additional information regarding the scoping meetings.
